

## LICENSE AGREEMENT FOR THE USE OF THE ALISON DESKTOP SOFTWARE, CREATED BY CERTISUR

This License Agreement regulates the conditions of use of the Alison Desktop Software created by CertiSur S.A. ("**Provider**") by its end user ("**User**").

The **Provider** is the sole owner of the application called Alison Desktop. This license is only a transfer of use made without exclusivity, which enables the use of the application by the **User** without any territorial limit. This license does not have a defined duration, while the **Provider** has not revoked the rights for its use. This license only allows the use and execution of the application.

Under no circumstances and at no time does the **Provider** grant ownership rights over the software to the **User**, only grants the right to use it under the conditions described in this license. Under no circumstances is the **User** authorized to perform the reproduction or public broadcasting, assign, sell, rent, lend or in any other way dispose of the licensed software. The **User** undertakes not to assign the use, partial or total in any way, of the software as well as not to disclose, publish, or make it in any other way available to other parties.

By way of example, but not limitation, all Logos, trade names, audiovisual names and signs included in the application are protected by the intellectual and industrial property rights of their respective owners, for which reason it is strictly forbidden for the **User** to decompile, reverse engineer, reproduce, copy, modify or manipulate in any other way any the contents of the application, in whole or in part, as well as modify it, either in its external appearance or in its operation.

The software is delivered for use by the **User** "such as is". The **Provider** declines to grant any warranty, expressed or implied, regarding the operation of the software, including any warranty or liability of merchantability or applicability for a particular purpose.

The **Provider** is not responsible for any damage that the **User** may suffer as a consequence of the use of the licensed software, including any compensation, liability, loss of value, loss of profit or collateral damages.

The **User** accepts that any dispute related to the use of the licensed software will be governed by the laws of the Argentine Republic. The parties irrevocably give their consent on the jurisdictional exclusivity of the commercial courts of the Autonomous City of Buenos Aires to definitively solve any controversy that arises hereunder.

The use of the software implies the automatic acceptance by the **User** of all the conditions of this license.
